Handypersons

- ◇ Over 60? Or living with a disability?
- ◇ Need a helping hand around the house and garden?
- ◇ **Handypersons** could be the service you require.

Who we are.

The HandyPersons Scheme has been running since 1999 providing a repair and assistance service to the elderly, disabled, and vulnerable members of the community. We also work alongside Police Scotland and trading standards to combat rogue traders.

Listed below are examples of the jobs that we are able to carry out:

- Replace lightbulbs (no charge but bulbs must be provided)
- Gardening
- Painting
- Repairs
- Gutter cleaning
- Uplift & dumping of household & garden rubbish
- Small joinery jobs, such as changing locks, fitting handrails, etc

If you need help with a job that is not listed above, please contact us and we will do our best to help. If we are unable to help, we will try our best to put you in touch with a reliable tradesman.

Unfortunately Signpost HandyPersons are unable to carry out jobs free of charge. Due to cuts, we now receive no funding for this service and it is essential that we are able to cover our costs if we are to continue to run the HandyPersons. We are a non-profit making scheme and all funds are invested back into the HandyPersons.

The Handypersons cover Inverness-Shire, Nairn-Shire and Badenoch and Strathspey.

If you would like more information on the scheme, the type of jobs we can help with or our charges, please contact us on:
